Giving Back: Tools for Nonprofits

Founder Richard Minney announces the release of iBE.net for nonprofits and our newly formed partnership with Grassroots.org. Thousands of nonprofits will be able to access iBE.net for free through Grassroots.org, along with other great business management tools.

Enhancing Good

NGOs have particular challenges when it comes to purchasing software. Our Director of Customer Support shares her experience helping one of our latest clients, an NGO called Fountain of Living Waters, to get the most from iBE.net's tools.

iBE.net Partners With Grassroots.org to Help Thousands of Nonprofits

[Grassroots.org](#) connects thousands of nonprofit organizations to free tools, resources, and volunteers. Now, Grassroots.org members can use iBE.net's nonprofit-specific platform to support administration, organize events, and promote collaboration.

Organizations can manage campaign activities, organize volunteers, and track donors from our integrated web & mobile app. Grassroots.org members can access iBE.net free for three months, and additionally receive a discount for subsequent months.

[Sign up](#), or [forward this message](#) to your favorite nonprofit organization to celebrate the season of giving!

Project Management Simplified, Streamlined

Watch the video below to see how iBE.net has transformed the way Ashley works on projects and tasks with her team.

Nonprofits and Professional Services Organizations alike can benefit from iBE.net's project management tools. iBE.net helps your organization to manage resources, schedules and tasks.

iBE.net for nonprofits enables organizations to assign and collaborate with colleagues and volunteers on tasks, and keep track of donors and donations for each campaign. It's the easier way to make every charitable event a success.

Pro-Bono Consulting through Grassroots.org

GRASSROOTS.ORG

CHANGETHEWORLD.ORG

ChangeTheWorld.org, a Grassroots.org effort, has successfully created the [Social Venture Consulting](#) program, pairing nonprofit organizations with top MBA students across the United States in semester-long, project-based consulting partnerships. Since the start of the program in 2006, growing nonprofits have been able to find and utilize students whose business skills best fit their needs, adding value to their organization and providing students with excellent hands-on experience.
